

Sports Day

All of the children, right from EY1 to Year 6, impressed the crowd on our 'Sports Day' last Friday as they demonstrated their physical abilities, enthusiasm and most of all, their sportsmanship.

🎵 'We are the champions' sang the Green team.

The EYFS children had fun and put their best effort into a range of races, including the *rolling tyre's race*, *lego building race*, *shopping cart race*, *obstacle course* and *buffalo tails*. They did extremely well! 🏆

The primary children also had a variety of races, from funny races such as, *popping a balloon* and a *clothes relay race*, to a race that needed strength and stamina - the *tug-of-war race*, to teamwork and problem solving races, *tunnel ball* and the *carpet race*.
