A CfBT Accredited School
2 Star Accreditation Grade

Message from the Head of School

Dear Parents,

Thank you to the children, Khun Tip and Khun Chai for a charming musical and dance assembly on Friday, it was extremely pleasing to watch the children's intense dedication to the performance. Well done to all!

Once more, the school year is coming to an end and it is time to congratulate children and staff for a very successful year. It is also time to say farewell to a number of families, some of whom have been attending St. Andrews for many years—we wish you all well and hope that you will keep in touch, wherever you may be. For those of you returning next year, we wish you a happy and safe holiday and look forward to seeing you again soon.

I know that you will join me in welcoming Sethi and Louisa who will be joining us in August, we are all looking forward to working with them.

Your child will bring home their annual report this week and enclosed with the report will be details of your child's next class, their new teacher, and a request for feedback on the report, along with any other comments you may wish to make. Thank you in advance for sending this information to school as soon as possible.

Unfortunately, due to the recent political situation, publication of our school Year Book has been delayed until the beginning of next academic year. Families leaving this term, who would like to have a Year Book forwarded to them, are requested to leave their

PTG Corner News

PTG Corner Wrap Up — The PTG held their last meeting on Friday, June 4, 2010. Here are some of the things we discussed:

- ★ **Talent Show and Ice Cream Party-** St Andrews will not be hosting the traditional last day party lunch this year. Friday is a full day of school and we have decided to try a new event! Thursday, June 10, 2010, all parents are invited to attend the first St Andrews Talent Show showcasing our very creative and talented children (: This will be followed by an Ice Cream Party. The PTG is checking on the cost to sponsor 2 ice cream carts for this event. The parents and children would be allowed to pick one ice cream treat and the PTG would pay for this with funds earned through the school year.
- ★ **Smart Board/Interactive Boards -** Miss Monica would like to purchase a new smart board to use in the St Andrews classrooms. Any parent that has had the opportunity to see how popular these boards are as teaching tools would agree this is a great investment for our children. The Smart Boards are on sale and Miss Monica made a request to see if the PTG would fund the purchase of one for the school. The cost would be (70,000 Baht) and all PTG Members present agreed to help with this purchase. HOWEVER, every parent is a part of the PTG and if you are not comfortable with this purchase, please let your feeling be known to Lisa Burns, bangkok.burns@yahoo.com, before the end of the school year.

- ★ Paper cups will no longer be provided by St

Andrews in the hopes of improving our environmental foot print and it has been suggested that water fountains might be a better option than water coolers. If two water fountains could be purchased and installed, the need for individual drinking flasks would be reduced. Miss Monica will investigate the cost of this option.

- ★ The PTG will be run by a committee next year. We do not have a Chair but rather a group of parents that will oversee all the wonderful PTG events. This will allow different individuals to chair the events they are passionate about and also cut down on the time commitment that is involved when you have only one or two chairs.
- ★ The venue for the first PTG Meeting of the new school year will involve, setting a date for: August or early September.
- ★ **PTG Back To School Night-** This will be held in the new school building and give all parents the opportunity to see what the PTG does during the school year. It will also give parents the chance to get involved in the PTG. Here are some events that will have already been planned:
 - ◆ The St Andrews Bring and Buy Fair- A date will be set for this event sometime in October....It is shaping up to be a fantastic event!
 - ◆ The St Andrews Drive In Movie night will also be discussed. The children love this event!

Lastly, the PTG thanks all of you for your time and support! It has been a wonderful year!!!!

Here is one weeks collection of paper cups!

Art Exhibition 2010

Last week we held our fifth Annual Art Exhibition and we would like to thank everybody who came to admire and browse the children's work.

The children in particular, were delighted to see their work displayed so beautifully and many returned again and again to take pleasure in their achievements and discuss the various paintings and artifacts.
