Message from the Head of School

Sports Day 2008

On Friday Morning all our families are encouraged to participate in our annual Sports Day. The mornings events will be organized into two groups. EY1-3 games will start immediately after the school flag has been raised, the children will therefore, need to arrive promptly, and this will be followed at 9.30 a.m. by Reception-Year 3 games. The differentiated by the colours, RED, YELLOW, BLUE & GREEN. To help the children identify their team members and leader children are requested to wear tem colours on this day. If you are still unsure of your child's team colour please ask your child's class teacher.

Parents are requested to gather on the field on the seats provided and please make sure to bring sunscreen and a sun hat! Parent races will take place after each group has completed their events so please be prepared to join in the fun. We look forward to seeing you and having an enjoyable morning.

PTG Coffee Morning

On Wednesday 30th January at 8:45 a.m. there will be a parent coffee morning in the new Music room, adjacent to the school secretary's office. The items for discussion will include among other things, Term 2 special events; a proposed visit to the orphanage to donate toys, clothing and equipment, generously donated by parents; a brief look at our Health and Safety policy and information about a parent workshop planned for February. We do hope that you will be able to attend.

Urgent Request.....

If your filmed the Christmas Concert we would really like to hear from you!

Unfortunately the film crew missed the start of the performance and we are looking for footage taken during the early part of the evening to complete our School DVD. If you can help please contact the school office as soon as possible, your assistance is greatly appreciated.

Thank you.

The Falcons 2008

We are coming to the end of our topic on Light and Shadow and the children have been doing many exciting activities to find out about light and shadow. Recently, the children conducted a series of investigations to see that “white Light” is actually made up of the colour of rainbow. We saw the colour in soap bubbles, reflections in a mirror through water and through glass prisms.

In Numeracy the children have been learning to tell the time

The children did a splendid job at the assembly on Friday 18th January. They seem to be growing in confidence all the time and are starting to become quite assured in both speech and drama.
