Message from the Head of School

Happy New Year and welcome back to school! We are looking forward to many exciting activities at school this term and look forward to sharing many of them with you. Please watch this space for details of all upcoming events.

We are delighted to welcome new students and staff to our school this term and we look forward to getting to know them all.

Christmas Concert

The Christmas Concert was an event to be remembered for a long time to come and I would like to thank all parents, families and friends who joined us for the evening, and in particular, those of you who contributed equipment, props, raffle prizes, food, tables and chairs etc. Your generosity helped to ensure that the evening was a success.

A display of photos taken during the evening, and others captured later with Santa Claus, will be on display in the sala later this week. Please stop by and take a look at your charming children and place your orders for your favourites.

The film crew, who filmed the event and interviewed some of the children after the concert, are busy compiling a Concert 2007 DVD and have made a special request. If you took a film during the evening and would like your 'concert highlights' added to the DVD, please send a copy to school as soon as possible as we would love to include them, thank you.

Afternoon Clubs Term 2

Our afternoon club programme will begin on Monday 14th January and, as indicated last term, your child's enrollment in the clubs will automatically be transferred to this term
